**Our design team at Iz Catering coordinates all the elements of your special event. Throughout the planning process, our goal is listening to the needs and dreams of our clients so that their event is the success they deserve.**

**Each event is treated individually as we discuss the unique needs and tastes of your party. Remember, our one price party plan gives you the tools to budget appropriately, without any hidden fees.**

**Allow us to take the stress out of planning your important event!**

*At Iz, it is about the little things...  
like having a picnic basket waiting in your car when you  
leave your reception...  
or having one of our staff cut your wedding cake...even  
if we didn't bake it...at no additional charge...  
little things mean so much...and add up to  
make a truly memorable day!*
